Dear Sir/Madam,

It gives us immense pleasure to cordially invite and welcome you to participate and present paper in the Two Day National Conference on '**Higher Education: Challenges and Security**' on 25th & 26th February 2012.

About University

Dr. Babasaheb Ambedkar Marathwada University was established on 23rd August 1958 to cater the needs of Marathwada region and the foundation stone was laid by the former Prime minister Late Shri. Pandit Jawaharlal Nehru. Recently University has celebrated 'Fifty Two years of Excellence and Social Commitment'. Our university gives utmost importance to placement of students after post graduate courses. Many faculties of this University have received patents for their research product. Presently 42 departments are established in the university campus and 08 departments in the sub-campus, Osmanabad.

About Sub-Campus

Dr. Babasaheb Ambedkar Marathwada University, Aurangabad established its sub-campus at Osmanabad on the 16th August 2004. Since its establishment it has to this date prepared a number of students to meet the demands of the millennium and acquire better career opportunities.

Department of Education

The Department of Education was started in the academic year 2004-05. The Department is presently offering M.Ed. (Regular), M.Ed. (Vacational) and Ph.D. Courses. The Department is promoting Teaching, Research and Extension activities.

The students are taught by innovative methods supporting by latest Technology to ensure quality education. Realizing the crying need of the day, our Department tried to teach the young not only to imbibe academic knowledge and feed them with reams of information but more importantly has attempted to make them efficient and good citizens in the services of the society through a number of co-curricular and extension activities.

Conference theme

Higher Education in India has evolved at faster rate particularly since last few decades to become one of the largest systems of its kind in the world. Higher Education is the powerful tool to build a knowledge based information society. At the same time new challenges before the country at the beginning of 21st century is to become a develop higher education system to meet requirements of the society in the foreseeable future.
