

Dear colleagues,

We take immense pleasure in inviting you to the national conference on “**Water Management for Sustainable Development (WMSD 2012)**” organized by the Department of Water and Land Management.

About Organizers:

Dr. Babasaheb Ambedkar Marathwada University Auranagabad was established in August 1958. The University is serving the cause of higher Education for the last Fifty-three years with its motto “Fifty three Years of Excellence and Social Commitment.” The University has established its sub- center at Osmanabad in August 2004. Since its inception the center is organizing academic activities. The aim behind organizing these activities is to introduce about current trends in the field of science and technology and update the information of the students and faculties in this area. Keeping this view in mind this year Department of Water & Land Management has organized a two day national conference on **Water Management for Sustainable Development (WMSD 2012)** on 30th and 31st January 2012.

About Osmanabad:

Osmanabad is situated on NH-211, 60 km from Solapur. It is directly connected to Mumbai, Pune, Hyderabad by railways. It is connected to New Delhi, Bangalore from Kurduwadi about 70 km from Osmanabad. The connectivity between Latur and Osmanabad is excellent. Tuljapur ,the famous pilgrim place is just 20 km away.

Nearest Railway Stations

Nearest Airports

Osmanabad- 0 kms.

Aurangabad- 250kms

Solapur- 60 kms.

Pune- 250kms

Latur- 70 kms

Hyderabad- 250 kms

Kurudwadi- 70 kms

Objectives:

The current century is considered to be the century of water scarcity and water management is one of most important and vital aspects of it. The objectives of this conference are to bring together water management experts, industrial personnel and academicians on a common platform to interact with each other. We plan this conference establish a sustainable tie up among the farmers, industries and academicians to discuss different aspects by considering the challenges and opportunities associated with Water Management. The conference include invited talks, plenary lectures from speakers of leading research institutions and contributed research papers in various areas of Water Management by Participants.

Thrust Areas:

The Water Management in itself is a too vast area to be covered entirely in a single event. Therefore organizing committee has scheduled the lectures in the following areas:

1. Equitable and sustainable use of water
2. Water Conveyance and distribution
3. Groundwater Management
4. Watershed Management
5. Advanced Techniques of Irrigation in Agriculture
6. Wastewater Management
7. Remote Sensing in Water Resources Management

Call for Abstracts and Research Papers:

Interested participants are invited to send the abstract on the topic as given above, to the convener.wmsd_2012@rediffmail.com OR hard copy to convener in the prescribed format upto January 10, 2012. [The abstract should be only in MS word format of Times New Roman, 12 font, 1.5 spacing, not exceeding 250 words]. Full length paper (for accepted abstracts) should be submitted through email upto January 20, 2012. The maximum length of paper should be four pages (A₄ size) only. The selected full length papers will be given ISBN.

Project presentation:

In our attempt to expose students to the industry personnel, we have organized a project presentation event. The post graduation or graduation projects may be presented in the poster form of (**size 80cm X 100cm**). The original work done by student is expected to be presented. **Three best oral and poster presentation will be awarded a citation and a prize.**

Registration:

Registration should be made by sending the accompanying registration form along with the Demand Draft drawn on any nationalized bank at Osmanabad in favour of **The Convener, WMSD-2012 payable at Osmanabad.** Registration form may be sent till 26th January 2012 by e-mail to convener.wmsd_2012@rediffmail.com Limited *spot registrations* are also available.
